## N O T I C E

All students of all courses conducted by the University declare that they will not carry any paper ( printed or written) , cell phone including electronic gadget etc. at the examination hall while they fill in forms and to that effect, direction overleaf admit cards is also reiterated. Many students take the right path during examinations to test his/her ability in respect of his knowledge and skill acquired through an academic year/session.

Students appearing at Regular, Supplementary and Semester Examinations in the year 2017 now and onwards are alerted that carrying Cell phones or any other electronic gadget in the examination hall will debar him/her for two years from the course. As for example, if some student is found carrying cell phone or any other electronic gadget in the examination hall in any examination during this year or onwards, s/he will appear only at the same examination after two years. In other words, he will be debarred to appear at examination for two years. Pretending innocence that student does not understand and keep mobile or electronic gadget out of mistake will cut no ice.

For keeping micro photocopies, photocopies, chits, books, notes during examination by the students will also attract appearance before disciplinary committee and punishment.

Yours faithfully,
